

Tax Season Shredding

With tax season behind you, you may find that tax reform did not require you to keep as much documentation as in the past. I invite you to dispose of unneeded documents in a free and secure manner.

Please feel free to bring your shredding to my office during the week of Monday, April 15th between 2pm-4pm. If that time is not convenient for you, please call 231-486-6188 to make other arrangements.

Please contact me with any questions.

Kind regards,
Meghan
