

In honor of Veteran's Day, I would like to say thank you to all who have served and those who continue to serve our country. Today, I think about my grandfather who served in the South Pacific during World War II and my dad who served in the Navy Jag Corps during Vietnam.

Please be sure to let me know in our next meeting if you or your spouse served in the military. One, so I may thank you personally and two, because it is possible that you may be entitled to military benefits later in life. You may qualify for certain benefits even if you aren't currently receiving them. We will want to research and include any potential benefits in your Financial Plan.

Kind regards,
Meghan
